CALF SCRAMBLE
Wednesday, August 4, 2010
Calf Scramble Committee
D.L. VanBuskirk, Dennis Smith, John T. Smith, David Brown,
Milton Dalenberg, Bob Fender, Don Hackler

The calves caught in 2010 will be shown in a special Calf Scramble Steer Class. Trophies will be awarded to the calf scramble calves for the following:

- Calf with best beef conformation
- Calf with highest average daily gain
 - Best groomed calf
- Highest Selling Scramble Calf

Calf scramble calves are eligible for the Open Steer Show.

RULES OF 2010 CALF SCRAMBLE

1. Junior age exhibitors, 10 years and older are eligible for the scramble.
2. The Georgetown Fair will provide calves for the scramble. The Fair will provide 4 Angus calves, 2 Shorthorn or A.O.B. calves, 2 Hereford calves and 4 Crossbred calves.
3. A check for the purchase price of the calf will be paid to the Georgetown Fair by the buyer, at the auction. Original purchase of the calf will be deducted (plus interest) and a check for the balance will be sent to the owner within 5 days of sale.
4. Participants catching calves must purchase mortality insurance at their expense. Source of this insurance will be specified by the Georgetown Fair.
5. Each calf will be weighed as requested by the fair committee and a report of this weighing sent to the Calf Scramble Chairman of the Georgetown Fair.
6. Calf Scramble calves caught in 2010 must be exhibited at the 2011 Georgetown Fair.
7. All calves caught in the 2010 calf scramble must be sold in the 2011 Georgetown Fair Junior Livestock Auction.
8. The Georgetown Fair Association is not responsible for accidents in the calf scramble.
9. The owner assumes responsibility for all expenses for his calf for the duration of the feeding period.
10. A committee of the Georgetown Fair will make the final decisions on the replacement of any calves caught in the 2010 Calf Scramble.
11. Calf Scramble applications are available from Section 18 Ag Teachers, and the Georgetown Fair Association.
12. Calf scramble calves will be tattooed by the fair association.
13. Transfer of ownership of a calf from the individual catching the calf to a different individual must be approved by the Georgetown Fair Calf Scramble Committee, and will be approved only if an absolute valid reason for said transfer exists.
14. The Georgetown Fair reserves the right to remove a scramble calf from a participant if it becomes obvious the calf is not being properly cared for.
15. The Georgetown Fair Association calf scramble is not affiliated with nor sponsored by any feed company.
16. Successful 2010 calf scramble participants are expected to exhibit their calves at the 2011 Georgetown Fair Beef Preview Show, held on the last Sunday of June, 2011.

SPECIFIC RULES FOR ACTUAL CONTEST

1. Because of the possibility of serious injury during the contest, the 2010 contestants will scramble for 50 - 60# pigs. Calves will be on the grounds for inspection by scramble contestants during the day on Wednesday, August 4, 2010. Successful scramblers will select their choice of the scramble calves in the order in which the pigs are caught.
2. Only one participant will be permitted to handle a pig at any time. A pig which is loose is fair game for all contestants.
3. A committee will be designated immediately prior to contest to conduct the scramble. Any controversy arising during the contest will be ruled upon by this committee immediately, and the decision of the committee will be considered absolutely final.
4. A designated official will be assigned to each pig throughout the contest. This person will make all decisions pertaining to that specific pig and the committee in conjunction with the designated official for any pig in question will render an immediate and final decision on any controversy which might occur.
5. The Calf Scramble Committee will consist of representatives of the Georgetown Fair Association.
6. All participants and their parents or guardians will sign a waiver of responsibility and liability releasing the Georgetown Fair Association from all liability.
7. Calves used for the 2010 Calf Scramble will be assembled one week before the fair date and held together to be clamped, wormed, implanted, vaccinated, weighed and started on feed during this time period. Successful calf scramble participants will pick up their calves at the fairgrounds on Saturday, August 14, 2010, between 8:00am and 10:00am.
8. Calf owners will pay a subtotal fee to cover health charges, feed charges and mortality insurance when they pick up their calf. Calf owners may pay only this subtotal fee at pickup and defer the original cost of the calf until after the calf is sold in the 2011 Junior Livestock Auction. A 6% interest fee will be charged on the unpaid balance if the original calf cost is deferred.
9. Each successful calf scramble participant will keep a detailed scrap book on their calf. These scrap books will be judged and a trophy will be presented to the exhibitor with the Champion scrap book and the Reserve Champion scrapbook.
